---

Faculty,

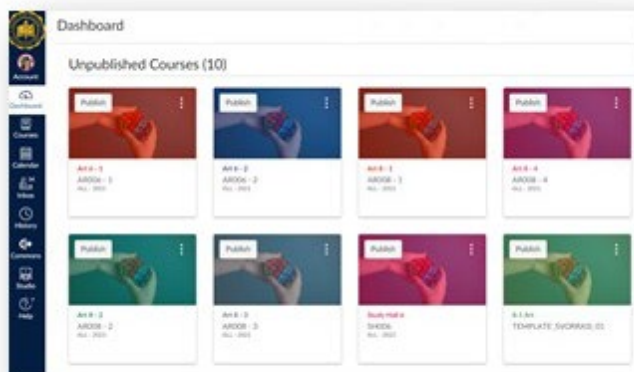

2021-2022 Canvas Courses are ready for you to edit.

Your dashboard should have a separate Canvas course for each class you teach.  
If you teach multiple sections of a class, you will have a course for each section.

If you are missing a course or section, please reach out to Todd & whomever does schedules at your campus.

PreK-3, you only need to edit & publish Homeroom (we can discuss more Weds.)

You may see a banner message asking you to accept some of your course sections:

You have been invited to join Art 8 - 3 with the following user role: Teacher  
[Decline](#) [Accept](#)

To view step by step directions, and video examples, for importing course content into your Live Courses, check out the Canvas Guidebook.

\*\*[Canvas Guidebook: New Year](#)\*\*

I will also be visiting each school this week: Tuesday (new faculty) -- Wednesday & Thursday (returning faculty).

See you soon.

Sincerely,

*Jody Kokladas*
