REAL TIME STUDENT FEEDBACK

https://www.plickers.com/
https://www.plickers.com/help

--quickly gather student responses to
                multiple choice questions-
*check prior knowledge
*review a topic
* exit ticket

--run from 1 device with the app and the student cards
(print cards from website -1/2 sheet size printed on card stock is the best)
